 Fertilizer Company
 Fertility Forward®

Pro Directions For Use

SHAKE WELL! *The mixed product should be agitated prior to and during application.*

Tank Mixing: Apply at a maximum rate of 9 ounces per 1,000 sq. ft. whenever iron deficiencies are present. Dilute with enough liquid to cover 1 acre. Do not apply with less than a 7:1 dilution with water.

Product is safe for use on all turf types and ornamental plants. Product is intended to be used as an additive to current fertilizer program.

MIXING WITH FERTILIZERS: *N-Ext Iron+™* can be mixed with liquid fertilizers. **Apply in this order:** 1) Water, 2) *N-Ext Iron+™*, 3) Water Soluble or Liquid Fertilizer.

Mixing with Pesticide, Herbicide or Fungicide: *N-Ext Iron+™* can be mixed with pesticides, herbicides and fungicides and applied. We recommend the following: Use the product within 24 hours of mixing products (especially with fungicides).

Store in a cool dry place away from direct sunlight. Product will store for 2 years under warehouse conditions.

Compatibility: These concentrated materials are compatible with most fertilizers and chemicals but should not be mixed directly with other chemicals. Conduct a jar test as needed to ensure compatibility before tank mixing. Mix in spray tanks with water and proper agitation. Apply in accordance with best management practices (BMP's) established by your Cooperative Extension Service. Observe any State or Local fertilizer application regulations. Do not apply near water, storm drains, or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn/garden, and sweep any product that lands on the driveway, sidewalk, or street back onto your lawn/garden.

Caution: This product contains the secondary micronutrient iron. Iron may stain concrete, wood and other pervious and impervious surfaces. **Apply only** to turf, plants, and soil. If plants are flowering, apply to base of the plant to avoid staining of blooms. **Keep out of reach of children.** If product comes in contact with skin or eyes flush with water immediately.
