DIY PACKAGING: 1.0-gal bottle and 2.5-gal bottle

### PRODUCT DESCRIPTION

**N-Ext Air-8™ Liquid Aeration** is designed to loosen topsoil and encourage deeper rooting to allow for greater oxygenation of the root zone. By utilizing key biostimulants and highly oxidizing material at key growth stages, **N-Ext Air-8™** will give you the “breakthrough” you’ve been looking for in the health of your lawn.

### APPLICATION RECOMMENDATIONS

Product is intended to be used as an additive to current fertilizer program.

We recommend applying it at a rate of 6-9 ounces per 1,000 sq. ft. in early spring or late fall. However, liquid aeration can be done anytime during the growing season.

Product is safe for use on all turf and soil types.

Soil After Using AIR-8

### DIY Directions • Storage & Handling:

**SHAKE WELL!** The mixed product should be agitated prior to and during application.

**Tank Mixing:** Apply at a minimum rate of 6 ounces per 1,000 sq. ft. and a maximum rate of 9 ounces per 1,000 sq. ft. Dilute with enough liquid to cover 1 acre. Do not apply with less than 7:1 dilution with water.

Apply in spring or fall; however, liquid aeration can be done anytime during the growing season.

Product is safe for use on all turf types and ornamental plants.

**Mixing with Fertilizers:** **N-Ext Air-8™** can be mixed with liquid fertilizers. **Apply in this order:** 1) Water, 2) **N-Ext Air-8™**, 3) Water Soluble or Liquid Fertilizer.

**Mixing with chemicals:** **N-Ext Air-8™** can be mixed with most lawn chemicals and applied. Conduct a jar test as needed to ensure compatibility before mixing. **We recommend the following:** Use the product within 24 hours of mixing products.

**Storage:** Store in a cool dry place away from direct sunlight. Product will store for 2 years under warehouse conditions.

Apply in accordance with best management practices (BMP's) established by your Cooperative Extension Service. Observe any State or Local fertilizer application regulations.

**Caution:** Apply only to turf, plants, and soil. If plants are flowering, apply to base of the plant to avoid staining of blooms. This product may stain concrete, wood and other pervious and impervious surfaces.

**Keep out of Reach of Children:** If product comes in contact with skin or eyes, flush with water immediately.

**N-Ext Air-8™** is designed to loosen topsoil and encourage deeper rooting to allow for greater oxygenation of the root zone.

Always read and follow label directions.
