PACKAGING: 1.0 gal-bottle and 2.5-gal bottle

PRODUCT DESCRIPTION

N-Ext RGS™ 0-0-1 Soil & Plant Formula is a designed to increase rooting potential (mass and depth) and decrease stress pressure caused by heat and drought. The biologically active material contains Humic Acids and Sea Kelp to aid in color response, to buffer and extend nitrogen release rates, and to add oxygen to the soil profile for greater nutrient uptake.

APPLICATION RECOMMENDATIONS

Product is intended to be used as an additive to current fertilizer program.

Apply a minimum of two times per year at a minimum rate of 3 ounces per 1,000 sq. ft. and a maximum of 6 ounces per 1,000 sq. ft. Apply when turf-grass variety is actively growing. Apply in the early spring with pre-emergent application or with first nitrogen application. Second application should be with fall fertilizer. Product can be applied year-round at 3 ounces per 1,000 sq. ft. Do not exceed 3 ounces when daytime temps are above 85 degrees.

Can be readily applied with lower volume, ride-on equipment without "clogging" issues or requiring sprayer modification.

Always read and follow label directions.

DIY Directions • Storage & Handling

SHAKE WELL! *The mixed product should be agitated prior to and during application.*

Do not exceed 3 ounces when daytime temps are above 85 degrees.

Tank Mixing: Apply at a minimum rate of 3 ounces per 1,000 sq. ft. and a maximum rate of 6 ounces per 1,000 sq. ft. Dilute with enough water to cover 1 acre. Do not apply with less than a 7:1 dilution with water.

Product is safe for use on all turf types and ornamental plants.

Mixing with Fertilizers: **N-Ext RGS™** can be mixed with liquid fertilizers. **Apply in this order:** 1) Water, 2) **N-Ext RGS™**, 3) Water Soluble or Liquid Fertilizer.

Mixing with chemicals: **N-Ext RGS™** can be mixed with most lawn chemicals and applied. Conduct a jar test as needed to ensure compatibility before mixing. **We recommend the following:** Use the product within 24 hours of mixing products.

Storage: Store in a cool dry place away from direct sunlight. Product will store for 2 years under warehouse conditions.

Apply in accordance with best management practices (BMP's) established by your Cooperative Extension Service. Observe any State or Local fertilizer application regulations.

Caution: Apply only to turf, plants, and soil. If plants are flowering, apply to base of the plant to avoid staining of blooms. This product may stain concrete, wood and other pervious and impervious surfaces.

Keep out of Reach of Children: If product comes in contact with skin or eyes, flush with water immediately.
