PRODUCT DESCRIPTION

The **N-Ext Humic12™ Liquid Humic Acid** product is an excellent addition to any fertilizer program for correcting soil issues.

The process of **N-Ext Humic12™** stands out against the competition. Our “Long Brew” technique uses high quality oxidized lignite and allows for a cleaner, more flowable product with enhanced biological activity.

The benefits of **N-Ext Humic12™** in your program are:

- Increased *root growth*
- Increased *chlorophyll content*
- Increased *nutrient uptake*
- Improved *soil structure*
- Improved *water retention*
- Improved *plant quality*
- Improved *mineral chelation*

GENERAL INFORMATION

N-Ext Humic12™ may be applied to all turf and planting beds at any time of the growing season. This product is readily dispersed in most fertilizer or micronutrient products. Avoid using this product with acids and oxidizers. This product is a weak alkaline solution and may alter the pH of certain solutions. A weak acid may be used to reduce the pH of the spray solution. This product may be applied with various irrigation water systems.

Consult your Account Representative for application recommendations specific to your growing zone.

Pro Directions • Storage & Handling:

SHAKE WELL! *The mixed product should be agitated prior to and during application.*

Application rates of **N-Ext Humic12™** vary; apply 2-3 times per year for maximum results at 3-9 ounces per 1,000 sq. ft.

TURF: Apply as an additive to a regular fertilization program. Apply 3-9 ounces per 1,000 sq. ft. with sufficient water for thorough coverage.
(Minimum dilution with water 7:1)

SOIL: Apply 1-12 quarts per acre with fertilizer or with water. **To reduce risk of incompatibility, follow this sequence of mixing:**

1) Water, 2) Humic Acid, 3) Fertilizer.

For specialized uses, please contact your Greene County Fertilizer Company representative.

Compatibility, Storage and Disposal:

DO NOT MIX WITH CALCIUM FERTILIZING MATERIALS.

Always jar test new combinations for compatibility prior to field mixing. **Store** in a safe manner. Store in original container only and keep tightly sealed when not in use. Store product and dispose of unused product and empty containers in accordance with federal, state and local regulations.

Caution: Apply **only** to turf, plants, and soil. If plants are flowering, apply to base of the plant to avoid staining of blooms. This product may stain concrete, wood and other pervious and impervious surfaces.

PACKAGING: 2.5 gal jugs; 5.0 gal buckets; 275 gal IBC Totes
