PRODUCT DESCRIPTION

N-Ext Sea-K™ *Stress Reducer, Bloom and Root* contains a highly concentrated Sea Kelp derived from the cold waters of the North Atlantic.

N-Ext Sea-K™ contains high concentrations of Auxins, Gibberellins and Cytonkinins. These combined with the naturally occurring trace elements and minerals will give an added boost to your fertility program.

The benefits of **N-Ext Sea-K™** are:

- Deeper color
- Increased rooting
- Increased pest resistance
- Increased drought protection
- Increased nutrient uptake
- Reduced senescence

APPLICATION RECOMMENDATIONS

Product is intended to be used as an additive to current fertilizer program.

Apply at a maximum rate of 1 ounce per 1,000 sq. ft. in the spring or before daytime highs are above 85 degrees.

Pro Directions • Storage & Handling:

SHAKE WELL! *The mixed product should be agitated prior to and during application.*

Tank Mixing: Apply at a maximum rate of 1 ounce per 1,000 sq. ft. in the spring or before daytime highs are above 85 degrees. Dilute with enough liquid to cover 1 acre. Do not apply with less than a 7:1 dilution with water. Product is safe for use on all turf types and ornamental plants.

Mixing with Fertilizers: **N-Ext Sea-K™** can be mixed with liquid fertilizers. **Apply in this order:** 1) Water, 2) **N-Ext Sea-K™**, 3) Water Soluble or Liquid Fertilizer.

Mixing with Pesticide, Herbicide or Fungicide:

N-Ext Sea-K™ can be mixed with pesticides, herbicides and fungicides and applied. **We recommend the following:** Use the product within 24 hours of mixing products (especially with fungicides). Do not over-apply pesticides, herbicides or fungicides as they can have an adverse effect on the populations of soil organisms.

Storage: Store in a cool dry place away from direct sunlight. Product will store for 2 years under warehouse conditions. Apply in accordance with best management practices (BMP's) established by your Cooperative Extension Service. Observe any State or Local fertilizer application regulations. **Caution: Apply only** to turf, plants, and soil. If plants are flowering, apply to base of the plant to avoid staining of blooms. This product may stain concrete, wood and other pervious and impervious surfaces. **Keep out of Reach of Children:** If product comes in contact with skin or eyes, flush with water immediately.

PACKAGING: 2.5 gal bottle, 5 gal bucket, 275 gal IBC tote
