HYDR8 MRG™ MOISTURE RETAINING GRANULAR

is a soil surfactant /wetting agent engineered to enrich soil biology, capture and distribute water more evenly, enhance nutrient absorption, optimize soil structure, and promote the well-being of plants. Enriched with a blend of soil-stimulating ingredients, this offers versatile nutrient mineralization in the spring, preparing turf for fall dormancy, or alleviating stress during challenging summer periods, Hydr8 is your reliable solution.

STORAGE AND DISPOSAL: Store in a cool dry place away from direct sunlight. Reseal opened bag by folding top down and securing. Use only clean, dry spreaders. Do not leave unused product in spreaders. **Apply** in accordance with best management practices (BMP's) established by your Cooperative Extension Service. Follow state application rates for your turf type unless otherwise directed. Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn, and sweep any product that lands in the driveway, sidewalk, or street back onto your lawn. **KEEP OUT OF REACH OF CHILDREN.** If product comes in contact with skin or eyes, flush with water immediately.
