

MAINTENANCE

MASKING AGENT SELECT™

MASK CHEMICAL ODORS WITH NATURAL FRAGRANCE.

Masking Agent Select™ is a concentrated fragrance containing essential oils from the wintergreen plant, designed to mask objectionable chemical odors. The odors associated with the application of some herbicides, insecticides, and fungicides can be offensive and create negative public perceptions. Utilizing **Masking Agent Select** in the tank-mix will mask these odors with a “good” wintergreen fragrance.

PRODUCT FEATURES

- Reduce the detection of chemical spray operations.
- Safe and easy-to-use with any tank-mix.
- Does not affect efficacy of active ingredients.
- Does not harm turf, ornamentals, or other plants.
- Especially beneficial when spraying in public areas.

LABELED USES

- Tank-mixtures

See label for complete application guidelines and restrictions.
