

Concentrate

Slow Release Liquid Nitrogen Blends

PRODUCT DESCRIPTION

N-Ext N-Charge™ Enhanced Efficiency Controlled Release Liquid Nitrogen Blends is nitrogen with a kick. Liquid nitrogen sources are blended with lignin and carbon compounds to create a highly stable, looser bonded liquid nitrogen that can be blended up or down in total N content from 16-0-0 to 30-0-0.

N-Ext N-Charge™ can be blended with additional nutrients on site in our facility prior to shipment.

N-Ext N-Charge™ is a powerful liquid nitrogen product that will add to or replace your current nitrogen products.

APPLICATION RECOMMENDATIONS

Product is intended to be used as a stand alone nitrogen source; however, it can be used as an additive to your current fertilizer program.

Apply at rates in accordance with your turf type's general nitrogen requirements.

Consult your Account Representative about which **N-Ext N-Charge™** product and recommended application rates are right for your area and time of year. We can blend with many of our other products at no additional charge.

PRO DIRECTIONS

SHAKE WELL! The mixed product should be agitated prior to and during application.

Tank Mixing: Apply at rates in accordance with your turf type's general nitrogen requirements. Dilute with enough liquid to cover 1 acre. Do not apply at less than a 7:1 dilution.

Product is safe for use on all turf types and ornamental plants.

Mixing with other N-Ext™ Products / Fertilizers:

N-Ext N-Charge™ can be tank-mixed with other N-Ext™ products and/or fertilizers. **Add to tank in the following order:** 1) Water, 2) **N-Ext N-Charge™**, 3) N-Ext™ Product / Water Soluble or Liquid Fertilizer.

Mixing with Pesticide, Herbicide or Fungicide:

N-Ext N-Charge™ can be mixed with pesticides, herbicides and fungicides and applied. **We recommend the following:** Use the product within 24 hours of mixing products (especially with fungicides). Do not over-apply pesticides, herbicides or fungicides as they can have an adverse effect on the populations of soil organisms.

Store in a cool dry place away from direct sunlight. Protect from freezing. Product will store for 2 years under warehouse conditions. Apply in accordance with best management practices (BMP's) established by your Cooperative Extension Service. Observe any State or Local fertilizer application regulations. Caution: Apply only to turf, plants, and soil. Keep out of Reach of Children.

Always read and follow label directions.
