

N-Ext Hydr8 EXT

Soil Surfactant / Wetting Agent

CONTAINS BENEFICIAL SUBSTANCES

100% Alkoxylated Polyols

Purpose Statement:

May increase nutrient uptake.

Information regarding the contents and levels of metals in this product is available on the internet at <http://aapfco.org/metals.html>

Hydr8 EXT™ is a Soil Applied Block Polymer Surfactant which:

- Hydr8 EXT™ will last up to 45 days in the soil to help manage water repellency conditions, increase infiltration rates and create uniform penetration of water in the soil profile.
- Hydr8 EXT™ will help prevent localized dry spot conditions from forming if used early in the season or before water repellency conditions appear.
- Hydr8 EXT™ will not burn.

PRO DIRECTIONS

**Greens, Tees, Fairways, Lawns and Sports Turf
Localized Dry Spots and Water Repellency Conditions**

Apply as a preventative program:

Apply at 4 to 6 ounces per 1,000 sq. ft. every 6 to 8 weeks.
Apply at least two times.

If drought conditions are present:

Apply at 6 to 8 ounces per 1,000 sq. ft. every 6 to 8 weeks.
Apply at least two times.

For a spot treatment strategy:

Apply at 2 to 4 ounces per 200 sq. ft. every 4-6 weeks to treat for existing localized dry spots. Apply at least two times.

Product is safe for use on all turf types.

PRODUCT DESCRIPTION

Hydr8 EXT™ 100% Alkoxylated Polyols. This is the solution for up to 45-day protection for lawns, commercial property applications before the onset of drought or dry conditions.

Applications can be made via commercial tank sprayers, ride-on spreader/sprayers hose end and pump sprayers.

STORAGE AND DISPOSAL: Store in a safe manner. Store in original labeled container only in a cool place away from direct sunlight. Protect from freezing. Keep tightly sealed when not in use. Keep in a secure and locked storage area. Do not add water to the contents of this container. Triple rinse container, empty rinse water into spray or stock tank. Store product and dispose of unused product and empty containers in accordance with federal, state and local regulations. APPLY in accordance with best management practices (BMP's) established by your Cooperative Extension Service. Follow state application rates for your turf type unless otherwise directed. Do not apply near water storm drains or drainage ditches. Do not apply if heavy rain is expected. CAUTION: apply only to turf and plants. KEEP OUT OF REACH OF CHILDREN.

Always read and follow label directions.
